The CNRS Bronze Medal Ceremony Award was held in Grenoble on 4 October 2013 in Grenoble. The award is in recognition of the work of Pasquale in astroparticles. Pasquale received his medal from Bart van Tiggelen the Associate Director of the Institute of Physics of the CNRS.

Prior to the formal handing of the medal, a presentation of the work of Pasquale was shown to the audience. This was followed by a humorous portrait of Pasquale made by friends and colleagues of Paquale. See both videos here .

Bart van Tiggelen conveyed the congratulations of the CNRS. Upon receiving the medal, Pasquale gave a thank you speech .
